

MIDNIGHT MAGIC:

Brunettes steal the show when CB2's Resort Outdoor Armless Chair, woven in synthetic rattan in Gun Metal Gray, is cast with drapes in Donghia's shimmery Gun Metal Laser Scrim alongside Graphite Oxide tile from Interceramic and a pillow upholstered in Chilewich's Plynyl upholstery in Carbon.

FUN IN THE SUN (Opposite):

What is shiny, sassy and silver all over? TUUCI's new Crescent Parasol, constructed from marine-grade aluminum and topped in TUUCI tuff-skins fabric in glistening Silver Sheen. Hung with The Conran Shop's hanging lanterns, the shade will bedazzle your next pool party.

“Silver, gold and other metallic finishes work with almost every color palette. Call them the new “it” neutrals. — Kahi Lee
