## finish options

### satin anodized aluminum

satin

## vent and pocket options

single vent

## profile options

market

valance straight

valance scalloped

## finial

acorn aluminum

## panel options

single solid color

alternating panels

alternating panel & alternating valance

alternating panel and matching valance

## canopy options

binding

## lift system

auto lift assist system (no telescoping)

## mast finish

satin anodized aluminum

Dimension Tolerances  $\pm 2"$   
Dimensions shown correspond to indicated lift system  
Options are subject to change without notice  
Some options are only available in certain sizes and shapes

\* Double wind vent & fishtail profile only available on octagon shapes
