

# plantation MAX F1

premium parasols

TUUCI's most durable and wind-resistant design is the Plantation MAX F-1. Featuring high-tension stainless steel reinforcement cables, Armor-Wall Aluminum Construction, tensioned stainless steel pocket construction and featuring TUUCI's exclusive and proprietary Aluma-TEAK™ hardwood finish, this parasol is built to withstand up to 45 MPH of wind force. The Plantation MAX F-1 will survive the most severe elements that Mother Nature may unleash.

TUUCI

**features:**
