

plantation MAX zero horizon

premium parasols

Posing no intrusion to the eye or to Nature's wondrous beauty, the Plantation MAX Zero Horizon is a triumph of minimalistic design and ultimate shade functionality. Maximizing overhead shade utility with a "zero" vertical profile, views of your surrounding garden and landscape are never compromised with this durable shade platform. The Plantation MAX Zero Horizon is built to withstand direct ocean gusts and desert wind blasts without a hint of strain. Genius in simplicity — abundant in shade protection.
